COMPUTER SKILLS ENRICHMENT WORKSHOP-1

Empowering Minds, Enriching Lives

Recap of the Workshop: March 21st - 23rd

All Saints' Group of Institutions recently concluded a valuable workshop spanning three days, from March 21st to 23rd. The workshop, designed to foster holistic development and provide valuable guidance to participants, featured an array of enriching activities and opportunities.
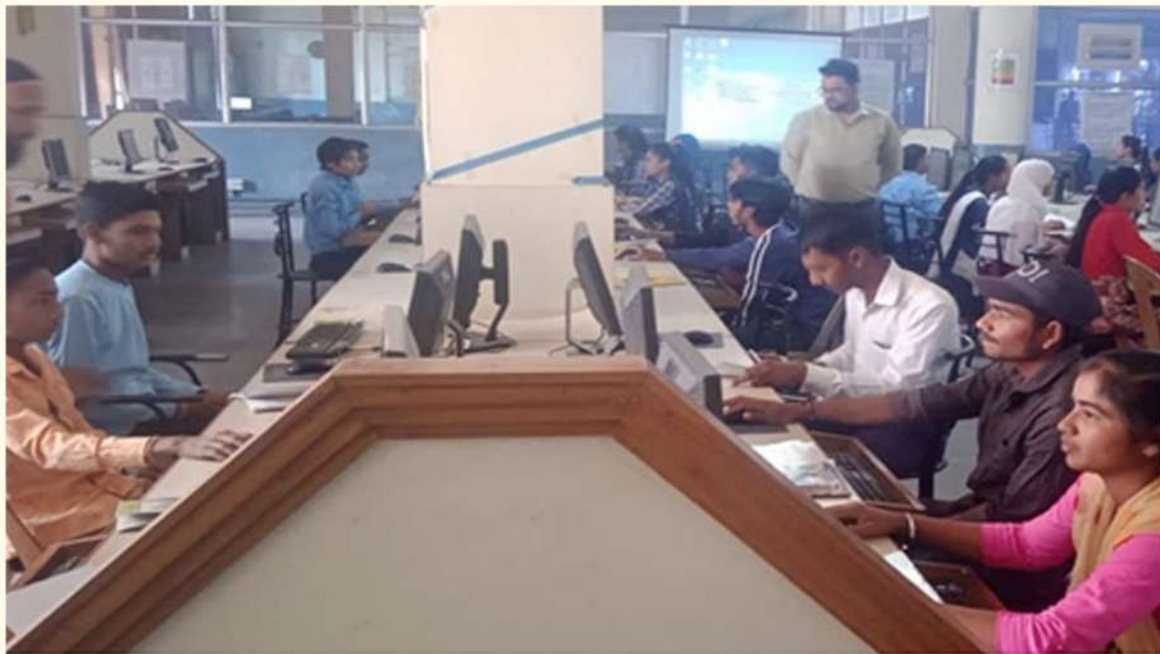

Key Activities Included:

1. **Career Counseling Sessions:** Led by esteemed professionals, Prof. Dr. Sayyed Shabnam and Academic Dean Dr. Dinesh Ramchandani, the workshop offered comprehensive career counseling sessions. Students received personalized guidance and insights to help them chart their academic and professional paths effectively.

2. **Motivational Videos:** Short, inspiring videos were screened during the workshop to uplift and motivate participants. These videos aimed to instill a sense of determination and drive among attendees, encouraging them to pursue their goals with zeal and enthusiasm.

3. **Basic Computer Learning:** Prof. Sajid conducted sessions on basic computer skills, focusing on Microsoft Office Word and other essential applications. Participants had the opportunity to enhance their digital literacy and proficiency, vital skills in today's technology -driven world.

4. **Guided Tours:** Participants had the privilege of touring various engineering college workshops under the guidance of respective authorities and Heads of Departments (HODs). From mechanical to electrical, electronics, civil, and beyond, students gained firsthand insights into different engineering disciplines.

5. **Library and Laboratory Visits:** The workshop included visits to the college library, overseen by Prof. Almas (Physics), and the chemistry laboratory, supervised by Prof. Noureen. These visits provided participants with access to valuable resources and practical learning experiences.

6. **Participation Certificates:** At the conclusion of the workshop, all attendees were presented with participation certificates by Principal Dr. Saifee. These certificates serve as recognition of their active involvement and commitment to learning.

7. **Free Transportation Facility:** All Saints' Group of Institutions offered free transportation facilities to ensure seamless participation for students from various schools. This initiative reflects the institution's dedication to promoting accessibility and inclusivity in educational endeavors.

Participating Schools:

- Maharana Pratap School, guided by Prof. Shamim and Prof. Vikram
- All Saints-GN
- PMC Government School, Parvaliya, accompanied by Prof. Ashish Sir
- KGN School, guided by Prof. Shadab and Prof. Anand

The workshop was a testament to All Saints' Group of Institutions' commitment to nurturing talent, fostering academic excellence, and facilitating holistic growth among students. Stay tuned for more enriching events and initiatives

COMPUTER SKILLS ENRICHMENT WORKSHOP-2

Nurturing Future Leaders

Triumph of the Second Workshop: 1st - 3rd April

Following the resounding applause of our inaugural workshop in March, All Saints Group of Institutions is elated to announce the triumphant completion of our second workshop, held from April 1st to 3rd. This workshop, tailored specifically for 10th and 12th-grade students, aimed to furnish them with invaluable guidance and resources to navigate the labyrinth of their academic and professional journeys.

Highlights of the Workshop:

Career Consultation Sessions: Spearheaded by esteemed luminaries, Prof. Dr. Sayyed Shabnam and Dean Academic Dr. Dinesh Ramchandani, the workshop featured bespoke career consultation sessions. Students were regaled with personalised guidance and insights to steer their course through the tempests of their futures.

Inspirational Videos: Inspirational videos were screened during the workshop to motivate and inspire participants. These videos encouraged students to strive for their goals with determination and passion.

1. **Guided Tours to Various Departments:** Participants had the opportunity to explore the mechanical, electrical, electronic, civil, and computer science departments through guided tours. These tours provided invaluable insights into the practical applications of theoretical knowledge, fostering a deeper understanding of each discipline.
2. **Importance of Basic Computer Knowledge:** Prof. Sajid Khan conducted sessions to emphasize the significance of basic computer knowledge, including Microsoft Word and MS Office. Students learned essential skills that are indispensable in today's digital age, equipping them for success in their academic and professional endeavors.
3. **Visits to Library and Laboratories:** Guided visits to the library, physics, and chemistry laboratories were organized to enrich students' learning experiences. Prof. Almas and Prof. Noureen provided expert guidance, allowing participants to explore resources and engage in hands-on experiments.
4. **Free Transportation Facility:** To ensure accessibility for all students, free transportation facilities were provided to facilitate their attendance at the workshop. This initiative reflects our commitment to promoting inclusivity and equal opportunities in education.
5. **Bestowal of Participation Certificates:** In a gesture aimed at fostering motivation and recognition, each attendee was honoured with a participation certificate bestowed by Principal Dr. Saifee. These certificates serve as tangible symbols of achievement, underscoring the institution's commitment to celebrating the efforts and contributions of its students.

Participating Scholastic Sanctuaries:

1. Faiz Public School - Facilitated by Prof. Shamim Sir
2. AVM School - Orchestrated by Prof. Shamim
3. John Bosco School - Curated by Prof. Shamim
4. All Saints - Gandhi Nagar
5. Oreol School
6. Maharana Pratap - Supervised by Prof. Shamim Sir
7. Aditya Convent School
8. Govt Model H.S. School, Gandhi Nagar - Overseen by Prof. Rishab Sir
9. Kendriya Vidyalaya H.S. School - Managed by Prof. Rishab Sir
10. PMC Govt School, Parvaliya - Directed by Dr. Ashish Sir
11. Chatrapati Shivaji School

The second workshop was an unequivocal triumph, endowing students with invaluable insights, guidance, and tangible experiences to bolster their academic and vocational aspirations. We extend our heartfelt gratitude to all participants, faculty members, and staff for their unwavering dedication and ardent participation
